

Villa María Cristina

THE MOST EXCLUSIVE RETREAT OF
CENTRAL MEXICO - GUANAJUATO.

Located in the charming and cultural town of Guanajuato, Villa María Cristina, offers guests 38 suites and one private contemporary style villa only 25 minutes away from Del Bajío International Airport. The classic façade and entrance lobby hide an intimate and diversified luxury hideaway composed by restored 19th-century neoclassical mansions and a typical Bruges Maison, that are connected through groomed galleries, patios, gardens and terraces resembling a small village with plenty of lavish facilities and a wide range of activities for spending a memorable journey. The design was inspired by the town of Guanajuato and its internal paths, stairways, alleys, Catalan mosaics and French cast iron columns.

Art lovers will admire an eclectic mix of classic and contemporary original masteries from local and foreign renowned artists. The extensive facilities allow guests to enjoy gourmet delicacies and Mexican traditional cuisine in two restaurants, a bar, a lounge area, an elegant equestrian inspired cantina, and a deck with an outdoor heated swimming pool. An impressive movie theatre accommodates up to 30 people to enjoy classic and modern cinema. For wellness, we offer the fitness center and the spacious Spa which features a covered swimming pool, steam rooms and sauna baths.

For families, the kid's lounge and children friendly plunge pool serve as great options for the youngest guests. The hotel is also one of most coveted places for social events offering also modern meeting rooms mixed with pleasant classic cocktail areas with independent external access which allows multiple

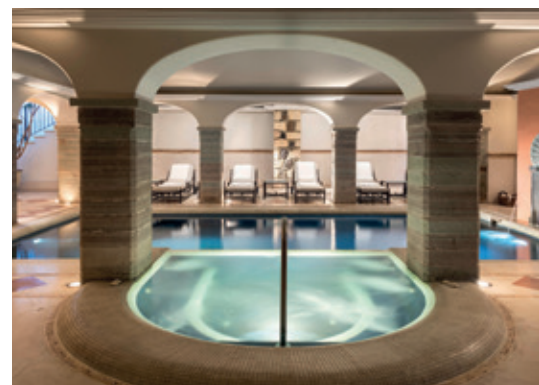

activities without losing the calm and appeal that characterize the property. The impeccable and attentive staff with a twist of French-style service reflects the Relais & Châteaux philosophy and attention to details.

Guanajuato a UNESCO World Heritage Site, is a colonial-era city situated in a picturesque valley surrounded by the Sierra Gorda Mountains. The city built its wealth after silver was discovered in the region in the late 1600's. Colorful architecture has a distinct European flavor and shady plazas are dotted with sidewalk cafes, museums, theaters, markets and historic monuments. Guanajuato is home to many annual cultural events, including the famous Cervantino Festival of Performing Arts.
